TEAM SPORTS

AQUATIC ACTIVITIES

MODIFIED SPORTS

Select from indoor soccer, netball, basketball, hockey, cricket, volleyball, badminton or football for an introductory or intensive training session. Sessions include warm up drills, skill activities and modified games.

KIDS BOOTCAMP

Kids boot camp is an energetic exercise class. Sessions strive to improve students' fitness levels in a fun and motivating environment, with access to obstacle courses, fitness games and partner based activities.

TABLOID SPORTS

Run on a station and rotation basis, this activity gives teams of students the chance to learn skills from an array of sporting activities including soccer, basketball, netball, football, hockey, bean bag throwing and skipping. The session is suited to all students and can be adjusted to accommodate individual groups.

DIVE TOWER

Students can jump off the 1m and 3m diving boards.

GIANT POOL INFLATABLE

Students can race each other on this 17m floating obstacle course!

WATER POLO

Includes warm up drills, individual and partner based skill activities as well as a modified game.

VENUE TOUR

A guided tour through HBF Stadium's elite training facilities and other venues including the Bendat Basketball Centre and the WA Athletics Stadium. Venue tours can be tailored to suit your requirements (max 1 hour duration).

GUEST SPEAKERS

Inspire your students with talks from a Paralympian swimmer, Commonwealth Games representative or educate them with a nutrition seminar. Subject to availability.
